SCHOOL FEES 2017-2018

EtonHouse International Pre-School & Primary prides itself on being a family orientated, community school situated in the heart of Thomson offering classes from Pre-Nursery to Primary School for children aged 18 months to 8 years. Our Pre-School and Primary Years programme follow the International Baccalaureate Primary Years Programme (IB PYP) and the EtonHouse Inquire-Think-Learn curriculum framework.

What our parents say...

"Our twins started off at EtonHouse Orchard from N1 and are now in K1 at EtonHouse Thomson. The Thomson campus is truly amazing! Housed in the most beautiful, lush setting, Thomson offers so much space for the children to explore indoors and out; yet, manages to provide an intimate and inviting environment for them.

The personal attention the EtonHouse Team provides really sets them apart, and it is so refreshing to see that all staff members know our children by name and genuinely take a special interest in their learning experience. Our Family couldn't be more pleased with our decision to attend EtonHouse Thomson, it feels like a second home to us, and we are so proud to be part of their community!"
Teeter Family, Parents of Gemma & Mason

We have been part of the EtonHouse community since 2012 with our three children. My youngest son only spoke German when he joined, but from his first day on he loved the creative classroom setup and started to make friends easily. Furthermore in no time at all he has learned English and some Mandarin along with it.

Coming from a European country where kindergarten is all about natural play, I found exactly this at EtonHouse where playing and especially playing outdoor is put first. Very naturally the teachers use the curiosity of the children to create unique learning environments and I am still often positively surprised what my kids come home with, not only academically but also from a general knowledge about our world and from their personality being self confident and developing great social skills.
